

Curriculum Vitae

Personal data

Name: Dr. Michael Haack
Address: Ludwig-Maximilians-Universität München
Department für Physik
Theresienstr. 37
80333 München
Phone: +49-89-2180-4377 (office)
+49-89-34086915 (private)
Fax: +49-89-2180-4186
E-mail: mhaack@theorie.physik.uni-muenchen.de
Birthdate: 22. May 1973
Birthplace: Hamburg
Nationality: German

Professional

10/2001 - 08/2003 Post-Doc of the European “Superstring Theory” network
at the University of Rome 2 (Tor Vergata)
09/2003 - 08/2005 Post-Doc at the KITP, Santa Barbara
09/2005 - 10/2005 Post-Doc at the LMU, Munich
Since 11/2005 Emmy Noether research group leader at the LMU

Education

10/1992 - 03/1995 Undergraduate student in physics and mathematics at the University of Köln
04/1995 - 03/1998 Undergraduate student in physics at the University of Heidelberg,
Degree: Diploma in physics
Thesis: Calculations in the worldline-formalism at finite temperature
in electromagnetic backgrounds
Supervisor: Prof. M. G. Schmidt
07/1996 - 09/1996 Summer student at CERN
04/1998 - 07/2001 Graduate student at the University of Halle (Germany),
Thesis: Calabi-Yau Fourfold Compactifications in String Theory
Supervisor: Prof. J. Louis
Grade: Summa cum Laude

Fellowships

02/1993 - 10/1997 Fellowship of the “Studienstiftung des deutschen Volkes”
09/2003 - 08/2005 Two-year Research Fellowship of the DFG (‘German Science Foundation’) at the KITP, Santa Barbara
