

String Theory I (T6)

Dr. Michael Haack (Winter semester 2009/10),
Mo and We 8.25-10 am, Room A348/349, Theresienstr. 37

Exercises:

The exercises will take place every **Thursday from 8-10 (ct)** in **A 010**, Theresienstr. 39, starting from **November 5**. The tutor is Dimitrios Tsimpis (Dimitrios.Tsimpis@physik.uni-muenchen.de). The new exercise sheets will always be distributed on Monday during class and will also be available on-line, under

http://homepages.physik.uni-muenchen.de/~Michael.Haack//ST1_WS09.html

The solutions should be handed in a week later, also on Monday during the class.

Credits and exams:

- Total number of ECTS: 9 (the two exams each count half for the final mark; TMP students have to hand in at least one exercise sheet with at least one solved exercise, in order to take part in the exams).
- The exams will take place on Thursday, **December 17**, and Thursday, **February 4**, instead of the tutorials.
